Stronghold[®] System Premium

(The Stronghold System mechanically fixes blades into the clips using industrial strength acetel pins which pass through the clip, blade and bearings)

The Stronghold System premium is applied to each pair of clips within an Altair[®] Gallery Set.

The Stronghold System premium is an additional to the price of Altair Gallery Sets.

The Stronghold System Premium is displayed as a reference on all relevant pages where the Stronghold System is compatible.
