

Breezway Australia Colour Guide

Breezway offers an extensive range of colours and finishes, many with optional colour matched clips and handles. Selecting the right anodising, powder or plastic for the atmospheric conditions of your building, along with correct maintenance, will be critical to the ongoing appearance of the finish.

Life's better with
Natural Ventilation

Colours are indicative only and may vary due to screen calibration and material differences. The IGLU® System features black clips for a seamless look when installed with double glazed blades.

Breezway is certified by Dulux and AkzoNobel for powder coating high-performance finishes. Warranty approval must be obtained from these paint manufacturers before ordering. Without a warranty certificate, Breezway provides a 10 year warranty. To discuss your louvre designs in more detail or to see samples please contact our Design Assist Team on **07 3847 0500** or email designassist@breezway.com.au
