The Stronghold System mechanically fixes blades into the clips using industrial strength acetal pins which pass through the clip, blade and bearings.

The Stronghold System premium is applied to each pair of clips within an Altair Gallery Set.

The Stronghold System premium is an additional to the price of Altair Gallery Sets.

NOTE:

- The above premiums do not include blades or Altair Gallery Sets.
- Processed Breezway Glass or Aluminium Blades must be used with the Stronghold System.
- The Stronghold System is compatible with both 152mm and 102mm Altair Gallery Sets.
- Some off-standard heights are unavailable when using 102mm Galleries with the Stronghold System.
- Altair Gallery Sets: Std height + 19mm through to Std heights + 31mm is unavailable.
