(The Stronghold System mechanically fixes blades into the clips using industrial strength acetal pins which pass through the clip, blade and bearings).

The Stronghold System premium is applied to each pair of clips within an Altair® Gallery Set.

The Stronghold System premium is an additional to the price of Altair Gallery Sets.

The Stronghold System Premium is displayed as a reference on all relevant pages where the Stronghold System is compatible.

NOTES:

- Glass blades used with Altair Gallery Sets with the Stronghold System must be drilled according to Breezway specifications and toughened.
- Aluminium blades used with Altair Gallery Sets with the Stronghold System must be drilled according to Breezway specifications.
